Legion To Dedicate Plaque At November 11th Service

A Dedication Service, sponsored by the Didsbury Branch of the Canadian Legion, will be held at the Butte on Tuesday, November 11th, commencing at 10:45 a.m. and a general invitation is extended to the public to attend.

The service will be in the form of a dedication service to dedicate the new plaque to the boys who fell in battle during World War II. This new plaque will be placed beneath the one now on the Cenotaph and will be a permanent fixture.

Li-Col. C.A. Richardson, D.S.O. of Calgary, who commanded the King's Own Calgary Regiment (Tanks) overseas, and who now commands the reserve regiment, will give the dedication address and unveil the plaque.

The Legion members and Boy Scouts are asked to line up at the Lions Hall on the morning of November 11th at 10:15 o'clock, and they will parade to the Butte. Other organizations wishing to take part in the service in a body are asked to form on the south slope of the butte and parade to the service.

Padre D. Whyte Smith will have charge of the service and presentation of wreaths by various organizations and individuals will be a part of the ceremony.

In the evening a Chicken Supper will be held in the Lions Hall, and this will be followed by a dance in the Opera Theatre.

FORTY YEARS AGO

November 1, 1907

The building on Oiler Street formerly occupied by A.R. Ruth, as a furniture store, has been rented to W. Wells of Banff, who intends conducting a bowling alley and billiard room.

At a meeting of the stockholders of the Didsbury Manufacturing Co. Ltd., the following directors were elected: Geo. Rehder, J. Clark, W. Traub, W.G. Gamble, J.B. Detweiler, A. Good and M. Moyer.

On the completion last week of the brick work on the new school, the school board, council, board of trade and school children were photographed in front of the building.

C. Hiebert is erecting a blacksmith shop at the north end of town for W. Sinclair.

Mrs. Trackless, who lives east of town, was thrown from a horse and received a fractured leg.

Preparations are being made by the English Church adherents in Didsbury to build a church in the north end of town.

ALL SCHOOLS OBSERVE HOLIDAY NOVEMBER 11

November 11, Remembrance Day, will be marked with a holiday in all schools in Alberta. Announcement of the holiday was made by education minister R. Earl Ansley.

Didsbury Legion Active Group In This District Since Formation

For twelve years following World War I Didsbury was without a Legion branch. Then in November of 1930 a meeting was held and a branch formed, with J.H. Lowrie as president and C. Mortimer as secretary-treasurer. Regular meetings were held and the Legion took an active part in the affairs of the community in the years that followed. In 1931 a club was built on the Butte and unveiled by the late Alfred Speakman, M.P. A plaque

RED DEER STORE CHANGES HANDS

Sale of the T.R. Johns Hardware and Furniture store to Builders' Hardware, with head office in Calgary, was announced last week. R. B. Gish, manager of the Atlas Lumber Co. at Eckville, has been appointed manager of the store, replacing the former owner.

J.A. Marshall, general manager of Builders' Hardware, Calgary, and A. Klassen, superintendent of stores, Calgary, were in Red Deer Monday completing the transaction.

BURNSIDE NEWS NOTES

Threshing has been completed in the Burnside district but yields were disappointing. The long period of dry weather during July did more damage than anticipated and yields were below expectations. Mrs. Dennis Jenkins is spending a short time in Didsbury with her father while Mr. Arthur Jenkins is in Calgary for medical treatment. Mr. and Mrs. Glen Fulkert spent Friday of last week in Calgary.

Scotty Grant of the Yellowknife area is back in the district and is staying with J.C. McCulloch.

Mr. and Mrs. Ivan Clendennin spent the week end with the latter's parents, Mr. and Mrs. Pete Schumaker.

Mr. and Mrs. Stanley Coyne of Alliance visited with relatives in Didsbury and district over the week end.

I.O.D.E. CALICO BALL PROVES BIG SUCCESS.

The I.O.D.E. Calico Ball held in the Didsbury Opera Theatre Friday, October 31st, proved to be a big success. Prizes for the best dresses were won by Miss Pearl Weisberger and Miss Janet Block.

LEGION POPPY SALE SATURDAY, NOVEMBER 8

The Didsbury Branch of the Canadian Legion is again sponsoring the sale of poppies and wreaths this year as a means of aiding disabled veterans, who have manufactured these poppies and wreaths to enable them to make a living for themselves.

The sale of poppies will be handled by the C.G.I.T. groups and the Brownies, and the girls will canvass the town on Saturday, November 8th.

Wreaths are available for the business places in town and a canvass will be made within the next few days. Any individual who may wish to purchase a wreath to place on the Cenotaph on November 11th should contact either Geo. Thring or Wilf Skerrett immediately.

Citizens are urged to buy poppies and wreaths when contacted. By doing so they will be helping disabled war veterans.

was also put in place, and dedicated to the veterans who died in World War I.

On November 11th another plaque will be dedicated at the Butte, this one in memory of the men and women who died in World War II. The plaque will be placed directly below the one already on the cairn and will bear the inscription: "Dedicated to the men and women of the Didsbury district who gave their lives in the Second Great War 1939-45."

The men and women who enlisted for service in World War II and paid the supreme sacrifice are listed below:

Eva Brown, R.N.; P.O. M. Holub; Gnr. N.J. Falk; Pte. W.E. Sutton; Spr. H. Grunau; P.O. R. Lyons; Pte. H.H. Lamont; Pte. J.W. Good; Pte. N. Goehre; Sgt. F.A. Lynch; Cpl. J.C. Schneider; Pte. H.E. Dedels; Pte. J.C. Garner; Flt. Sgt. R.J. Barrett; Gnr. D. MacDonald; P.O. F. Kohut; Pte. D.M. McCulloch.

GIVE GENEROUSLY TO THE COMMUNITY CENTRE FUND

NEWS HELD OVER

Due to mechanical difficulties which developed late Tuesday afternoon a number of articles have had to be held over but will be published in next week's issue of The Pioneer. With the editor away on a big game hunting expedition the harassed staff of your local paper has been literally tearing its hair, and it is with a sigh of relief that we struggle through this last bit of copy and go to press.

NOTES FROM THE EAST

On Friday afternoon the Jutland school pupils, under their teacher, Mr. Brown, held a Halloween party with their mothers as guests. As the guests arrived a skeleton attired in a white shroud with crossed bones painted on the back and dragging his ball and chain, entered the school and almost frightened the smaller children and some of the guests into tears. While the children enjoyed games, quiz contests and a peanut scramble, a Gypsy foretold the future of each pupil desiring to learn their fortune. Some of the pupils wore costume masks, some were in costume as Indians, clowns and also as bandits. The afternoon came to a close with the serving of lunch to the mothers.

The Calf Club held their meeting at the Lloyd Haynes farm on Saturday. The object of the get-together was for the drawing of the calves. Mr. Brander, the leader, was unable to be present because of harvest operations. The other members of the executive, Lloyd Haynes and Kenneth Burns, were present, and Bruce Shells looked after the business.

Mr. McPhail, district agriculturist, arrived a little late because of a meeting at Carstairs on the same day. Children from the ages of 13 to 21 may become members of the club. They may enter a calf of their own in the contest as long as it passes the regulation called for by the club. It must be of the beef type and weaned on November 1st. Some members drew numbers from a hat for calves which had been purchased from farmers in the district by the executive committee of the club. Eleven calves were drawn for. Each member was given a set of rules to follow in feeding their respective calves up until the date of their auction in 1948. This will encourage our younger farmers to raise better cattle and show more interest in farming while learning.

Mr. McPhail also gave a lecture on calf judging and the differences between the beef type and dairy type. Mr. McPhail and the executive will call on the members from time to time and inspect calves and give needed advice.

The next meeting will be held at the farm home of Bruce Shells on Friday afternoon, November 28th. Mrs. Haynes and Mrs. Shells served lunch at the close of the meeting.

On Thursday last Fred Metz and Pete Schumaker were business visitors in Calgary, stopping to call on former neighbors, Mr. and Mrs. Joe Clarke.

Mrs. D.B. Wood spent Friday of last week in Calgary, making the trip to have her eyes examined by an eye specialist.

Ralph Odden and Stanley Overly motored from Landline to visit with the former's sister, Mrs. Harold Shells, and family. Stanley left Thursday for home but Ralph is

MANY LOCAL HUNTERS OUT AFTER BIG GAME

The opening of the big game hunting season on Saturday, November 1st, was the signal for many hunters in the Didsbury district to leave on their annual excursion to the fall timber, and from all reports more hunting parties than usual have already gone, or plan to go after deer, elk, sheep and goat this fall.

The moose season has been closed this year in all territory west of Didsbury, Carstairs and Olds, as well as in many other parts of Alberta, but this does not seem to have hindered hunters from taking out big game licenses to hunt the other big game animals in season.

The annual license fee this year for big game is \$5, which entitles the hunter to shoot any game animals in season. The tag system is again in effect this year and game authorities say the regulations will be strictly enforced. The law calls for the tagging of all big game animals as soon as killed, and the number of tags will be listed on the license when purchased. Tags are supplied free with all licenses sold.

TO FURTHER TEST FOR OIL WEST OF DIDSBURY

The Daily Oil Bulletin last week reported that the Continental Oil Company has decided to re-enter Alberta with a large-scale exploration program for oil.

The gas and oil acreage acquired for exploration includes 392,000 acres in central Alberta, and takes in territory west of Didsbury. The south end of this block is about 30 miles north of Calgary and extends about 20 miles north-west of Red Deer.

Preliminary survey work will start soon and the company seems confident that they will find gas and oil in quantities in the above acreage.

Continental Oil Co. has also reached an agreement with Husky Oil and Refining Co. for the joint exploration and development of 115,000 acres previously reserved by Husky on the Alberta side of the Lloydminster oil region.

Continental will operate in Alberta under the name of Hudson Bay Oil and Gas Company, with headquarters in Calgary.

ANGELICAN YOUNG PEOPLE ORGANIZE IN DIDSBURY

An organization meeting of the young people of St. Cyril's Anglican Church was held at the home of Mr. and Mrs. J. Freeman Wednesday evening, October 29th, and there was a good attendance of prospective members. Election of officers was the main business of the meeting and the following were appointed to office: Miss Norah Kennon, president; Joel Barrett, vice-president; Mr. A. Bown, secretary, and Donald Freeman, treasurer.

Meetings will be held every 2nd and 4th Monday in the month, commencing at 8:30 p.m. The next meeting will be held at the home of Mr. and Mrs. A. Bown on Monday, November 10th.

staying for some time. Mrs. Irvin Hall, Mr. Ben Thomas of Indus, Alta., Miss Evelyn Dowell, Mrs. Dowell and Mrs. Hansen were all Sunday guests at the J.D. Thomas home.

Hugh Perry and Charley Christie were business callers on Fred Metz Saturday.

Mr. and Mrs. W. McCulloch and family visited Sunday with Mr. and Mrs. H. Pross.

Bruce Shells left Friday morning for the Clearwater to make reservations for a hunting trip which he plans to take in the near future.

Fred Metz has received word from the dentist that he must undergo operation before his new teeth can be made. Fred says he does not want to be like the man he heard about. A police man found this man on the corner of main street crawling about on his hands and knees. "What are you looking for?" asked the cop. "My candy," replied the man. "You're acting like a child," exclaimed the policeman. "You don't understand," replied the man on the ground, "my upper teeth are in it!"

MELVIN NEWS NOTES

Miss Lois Krebs is home again after spending a couple of months with her aunt, Mrs. J. Kershaw.

Mr. and Mrs. Jesse Ray and family of Cremona and Mr. and Mrs. R.C. Ray of Carstairs were Sunday dinner guests of Mr. and Mrs. Ross Youngs. Mr. and Mrs. L. Cooley and family of Olds also visited at the Youngs' home on Sunday.

Mr. and Mrs. Emil Krebs were Calgary visitors Monday and Tuesday.

We regret to learn that Mrs. Summers has been on the sick list this past week, but are glad to hear she's home again from hospital and improving nicely.

Mrs. J. Kershaw spent last week with Mrs. H. Jones in Olds.

We hear stories of Halloween pranks here and there. What a lot of work some people will go to to make things inconvenient. Imagine unloading racks of bundles at the threshing machines in the middle of the night. Really ambitious, eh?

LEGION HEARS REPORT ON COMMUNITY CENTRE

The Didsbury Branch Canadian Legion held its regular monthly meeting Thursday evening, October 30th, and a fair number of members was present to go through a heavy business session. After the usual opening, correspondence was read, and one letter dealt with help for veterans at the Sanatorium in the form of extras such as toothpaste, razor blades, etc. This matter was referred to the executive for action.

The president, Comrade Bill Payne, gave a detailed report on the Community Centre project and asked that all members get solidly behind the movement.

The plaque committee reported that the plaque was completed and H. Roberts had promised to have it installed. While most of the members had donated to this fund the apathy of the public was regretted. It was the general opinion of the Legion that the erection of a plaque was a public project and support from the district citizens would have been welcome. Citizens may still donate to the plaque fund, however, and members will accept any donations and a receipt may be obtained from the treasurer. The plaque will be unveiled at the November 11th service by Li-Col. C.H. Richardson, D.S.O.

All returned personnel are urged to attend the service whether members of the Legion or not.

Padre D. Whyte Smith was asked to make arrangements for the church service on Sunday, November 9th.

The entertainment committee reported on the chicken supper and dance, to be held Tuesday, November 11th, and final arrangements were completed at the meeting.

The poppy committee reported that poppies and wreaths were on hand and arrangements had been made for their sale on Saturday, November 8th.

The meeting concluded with the singing of God Save The King, and a lunch and social hour was enjoyed by the Legion members and the Women's Auxiliary.

ALBERTA T.B. ASSOCIATION SEAL SALE STARTS SOON

The 21st annual Christmas Seal sale will be under way in Alberta next week. 180,000 homes in the province will receive letters containing two sheets of bright, colorful Christmas Seals, the seals that save lives.

R.W. Roscoe, president of the Alberta Tuberculosis Association, said recently that this year's appeal is the greatest yet, and the need for \$125,000, this year's objective, is greater than ever.

Mr. Roscoe said, "As in the war against fascism, so in the war against tuberculosis. The time to hit the enemy hardest is when he is beginning to falter and fall back. In Canada at least, T.B. is definitely retreating and now is the time to intensify our efforts."

The Tuberculosis Association is calling for more and larger contributions than ever before, reminding the recipients of Seals that no other appeal is made throughout the year, but that the fight against T.B. continues all year and every year.

TRUSS CONTRACTOR COMMENCES WORK ON SKATING RINK

Ed Stern has been given the contract for the building of the roof trusses for the new memorial covered skating rink in Didsbury and he was in town last Thursday making necessary arrangements. He arrived back in town Monday and has commenced building of the trusses.

In the meantime work is proceeding on the erection of the walls of the rink and sufficient material is on hand to complete this part of the building.

To give residents some idea of the type of building being erected the building committee has display cards at C.E. Reibers office. New Koffee Kouter and Payne-Freeman Co., showing construction on the new memorial covered rink now being built at Ponoka, and which is very similar to the building being erected in Didsbury. Anyone interested in these pictures can see them at the above business places.

The financial committee in charge of the Community Centre Fund report that collections have been very good the past few days and citizens as a whole are giving very generously to the cause. However, the drive will continue in full swing and large donations are needed if the first project of the Community Centre is to be completed and paid for this year.

Following is a partial list of the money donated to the Community Centre during the past week:

H.D. Halliday \$100; Wm. McFarquhar \$75; Mary J. Kinkead \$50; Dale Kimmel \$50; J.V. Bersch and Sons \$50; Len Bersch \$50; Didsbury Funeral Home \$25.

LIONS CLUB NETS \$182.93 ON SHELL-OUT TICKET SALE

The Didsbury Lions Club Shell-Out campaign proved to be quite a success, and the club took in a total of \$208.68. After prizes were decided the Lions netted \$182.93.

Prize winners in the selling contest were: Joyce Sevens 1st; Ruth Newton 2nd; Twila McCoy 3rd; Alice Wood 4th; Richard Law 5th; Gwen Clarke 6th; David Lamont 7th; Ken A. Hunsperger 8th; Robert Hipkin 9th; Claire Gill 10th.

Two prizes were given out in each of the first four rooms of the public school for the children collecting the most tickets Halloween night but the names are not available as yet.

The Lions Club wishes to take this opportunity of thanking the school pupils for their splendid cooperation in making this project so successful.

C.G.I.T. HOLDS INITIATION WEDNESDAY, OCTOBER 29

The Senior and Intermediate groups of the C.G.I.T. held their annual initiation and Halloween party in the basement of Knox United Church on Wednesday evening, October 29th. New members being initiated, dressed half as boys and half as girls, were blindfolded and paraded to main street, where they provided amusement for the townspeople by washing the entrances to Mayor H. Lynch-Staunton's office and the pool room.

Returning to the church basement the evening's entertainment continued with folk dancing, songs and games, and was followed by the serving of a delicious lunch.

The singing of "Taps" brought another pleasant C.G.I.T. initiation and party to a close.

SUPPORT THE COMMUNITY CENTRE

The first project of Didsbury's Memorial Community Centre, the covered skating rink, is gradually being erected, and considerable material is now on hand to provide steady employment for all who can spare a day or a few hours from time to time, as volunteer labor is one of the main requisites to the completion of the building.

The finance committee has its worries these days endeavoring to raise a large sum of money to complete the building, and the drive for contributions is now on and is meeting with considerable success. However, large donations are needed from those who have the money if the objective is to be met.

The cause is a worthy one, and donations are eligible for income tax deduction.

If it is your sincere desire to help build a community centre in memory of our war heroes your financial assistance is the best way to aid the plan—and the larger your donation the more assistance you will have rendered.

Donate now to the Didsbury's Community Centre Fund, and give as generously as possible.

PUBLIC NOTICE

NOTICE is hereby given to all Household, which includes private homes, boarding houses, lunch rooms, restaurants, cafes, hotels, food stores and butcher shops within the Town, that they shall provide a container, substantially made of galvanized iron or tin and provided with a lid and constructed in such a manner that it is fly-proof, capable of containing not more than seventy-five pounds of kitchen refuse or other dry garbage such as tin cans, bones, glass bottles or vegetable matter wrapped in paper. That the said container shall be kept at the rear of the lot next to the alley. The Town Scavenger will make a pick-up of all garbage kept in such a container every two weeks.

All combustible material such as hedge clippings, paper, etc., must be burned.

NOTICE is further given that garbage will not be collected from any premises which is not kept in such a container. Any garbage kept in open barrels or boxes must be removed at the owner's expense and if not kept in a sanitary condition which meets the approval of the Sanitary Inspector prosecution will be made under the Health Act.

Suitable containers as required above are now available.

The Town Council strongly urges that town residents give their full co-operation in carrying out the above notice.

BY ORDER OF THE TOWN COUNCIL

LETTER TO THE EDITOR

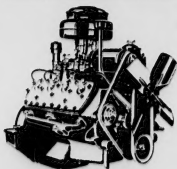

The Editor,
The Didsbury Pioneer

Dear Sir,

In regard to the recent M.V. B.S. tax placard, we, the undersigned, as ex-servicemen students of this school wish to make the following statement: 'The Veterans' Affairs Departments of both the United States and Canada recognize Mountain Bible School as an

accredited training institution, under the Veterans' Rehabilitation Act and the G.I. Bill of Rights, and we are therefore receiving the same benefits, grants and privileges that are accorded to ex-servicemen who are attending various schools elsewhere, educational or otherwise.'

WESTERDALE NEWS

The fine Indian Summer weather of the past week has speeded to completion all threshing operations in the district. Some fairly good yields were reported, considering the dry weather during the summer months. Mr. B. Parkes had a field of legacy oats yield 70 bushels per acre on breaking. Mr. A. Jones had a field of barley yield 47 bushels per acre on summerfallow. Mr. W. Wigley harvested a field of Garret wheat which went 50 bushels to the acre on summerfallow. Mr. F. Jackson had a field of Thatcher wheat which yielded 42 bushels per acre on summerfallow, and a field of Vanguard oats yielded 60 bushels per acre on spring plowing.

Mr. R. Jackson underwent a serious operation at the University hospital in Edmonton Wednesday morning.

Mr. and Mrs. W. Herbert motored to Edmonton last Saturday afternoon, where they visited Mr. R. Jackson. Mrs. R. Jackson accompanied them on their return trip Sunday evening and reports that Mr. Jackson is improving.

Miss Leslie Jackson returned home Saturday afternoon after the past two weeks in the Didsbury hospital suffering from a knee injury.

Work is expected to be resumed on the hall kitchen next week. Volunteer help would be greatly appreciated.

Watch for further particulars on the free concert at Westerdale hall on November 28th.

Miss C. Wise returned to her home at Olds for the week end.

The Westerdale school children held a Halloween party at the school last Friday afternoon.

NEW SPEED LIMIT

A 50-mile-an-hour speed limit on all Alberta highways will be put into effect Nov. 15. The order, which will be published in the Alberta Gazette this month, was approved by a recent caucus of social credit members of the provincial legislature.

CREMONA NOTES

Cremona was pretty quiet on Halloween. A few windows were soaped and some buildings upset, but no real damage was done. The youngsters were not disappointed in the treats they received. At the school, grades one to five held a Halloween party, while grades seven to twelve went on a Hare and Hound race.

The Cremona Girls' Sewing Club met at the home of Mrs. Waterstreet on October 28th. It was decided to hold only one meeting in November. Toys were sewn for the Homes in Edmonton.

Mr. and Mrs. Joe Dick, Doreen, Bobby, Melvin and Kelvin were Sunday visitors at the home of Mr. and Mrs. C.H. Waterstreet.

As Ken Cameron rounded a corner the truck door flew open and his daughter, Margaret, fell out. If Ken had not had good brakes the little girl would have been run over.

The Cremona Saw Mill owned by Lake Parsons will soon be humming again.

The heating device for the new Cremona School has arrived and as soon as some of the missing parts are obtained, it will be installed.

The new Graham School is now under construction and will be finished in record time.

Did You Pay Income Tax For 1942?

If so, read this carefully!

The Government of Canada will repay the REFUNDABLE SAVINGS PORTION of 1942 Income Tax by March 31st, 1948. If you are one of those who have refundable savings a cheque will be mailed to you BUT—

Your correct present address is essential!

Correct addresses are available for most of those entitled to repayment, but a large number of taxpayers are constantly moving and others marry and their names change.

Cards on which to report changes of address or name are being sent to all householders in Canada. These are being distributed at the present time. Additional cards are available either at your district Income Tax office or your local Post Office. Do nothing if you live at the same address and have the same name as in 1942.

*If you are entitled to Refundable Savings on 1942 Income Tax and you have changed your address or name
COMPLETE AND MAIL YOUR CARD AT ONCE!*

Minister of National Revenue

FARM IMPLEMENTS PURCHASE

Sales of farm implements by manufacturers to wholesalers totaled \$81½ million in Canada last year. This is an increase of 26 per cent over the 1945 total.

These figures do not represent the amount of money Canadian

farmers paid for implements. It is calculated that in 1946 the farmers paid approximately \$98,500,000 for purchases of implements and space parts.

The staid English "bowler" hat is out, replaced by the "Anthony Eden" black homburg.

The Alberta Farmers' Union will hold its annual convention in Edmonton from December 1st to 5th. Canadian visible wheat supplies on October 2nd totaled 113.9 million bushels, as compared with 112.2 million on the same date a year ago.

THATCHER LEADING EXPORT WHEAT

Thatcher is now Canada's leading export wheat. Official samples taken from cargoes leaving Fort William last autumn showed that 75 to 80 per cent were of the Thatcher variety. One-third of the wheat cargoes leaving Vancouver were Thatcher wheat.

Twelve years ago Marquis was the leading variety of wheat exported from Canada but it has been gradually declining in volume. Thatcher wheat was introduced in the west in 1935 and is now the leading wheat variety in Manitoba and Saskatchewan. Red Bobs is the predominant wheat grown in Alberta, but is gradually being overtaken by Thatcher.

Regent, another rust resistant wheat, has been increasing in popularity and comprises over 17 per cent of the export cargoes.

It would now appear that the rust resistant wheats are going to predominate in the prairie provinces in the years to come.

Total wheat exported from August 1st to October 2nd, was 19,362,138 bushels.

SEED SUPPLIES

Alberta farmers are warned by the Field Crops Branch to make sure of seed grain requirements for spring and feed grain requirements for the next year.

Those who have not yet threshed their crops may consider this warning untimely, but the fact is that no one can afford to delay this matter longer than he must. Frost, drought and hail have left some districts without a crop. Others will have insufficient feed, or crops that are unsatisfactory for seed. This means that there will be a heavy demand within the province for both seed and feed.

The demand outside the province is also heavy. Large quantities of grain for seed and feed are shipped to Eastern Canada each year. The demand will be greater than usual this year as a result of an unfavourable season in the east. This demand will not wait until spring.

If in past years you have been able to fill your requirements as they arose you should recognize that such a procedure may prove disappointing this year. Make arrangements now. If there is feed and seed within trucking distance, make sure of your supplies before it is too late.

THE MORAVIAN CHURCH DIDSBURY, ALBERTA

C.L. Risko, Pastor

Only in Chevrolet Trucks will you find all these ADVANCE-DESIGN FEATURES!

It's a new kind of cab—6½ times stronger, sturdier, built with **UNWEAR ALL-STEEL CONSTRUCTION**.

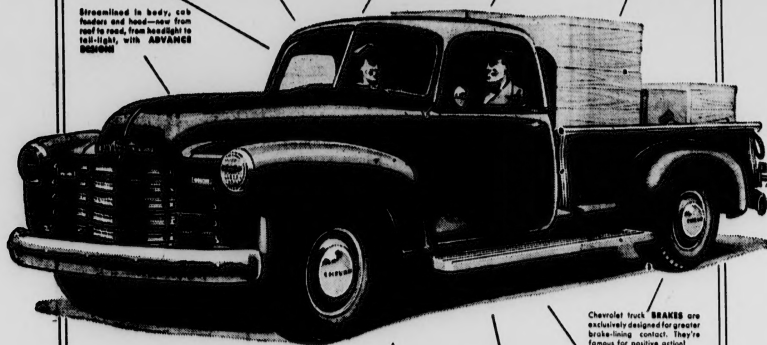

SEATS are bigger—built for lasting comfort—and fully adjustable to the driver's height.

Wider, deeper **WINDSHIELD** and **WINDOWS** increase glass area 22½%. And new rear-corner windows—optional at extra cost—give even more light.

The amazing **FLEXI-MOUNT-ED CAB** is rubber-cushioned against road shocks, torsion and vibration!

Here's new value! **INCREASED LOAD SPACE** in panel, and pick-up, plus **MORE EFFICIENT LOADING** in close and high rack bodies!

Streamlined in body, cab fenders and hood—new from roof to road, from headlight to tail-light, with **ADVANCE DESIGN**.

Under the streamlined hood is the world's most economical engine for its size—Chevrolet's famous **VALVE-IN-HEAD TRUCK ENGINE**.

See the **CAB THAT "BREATHES"**! Fresh air (heated in cold weather) is drawn in from outside, and used as it forced out.

New, stronger **FRAMES** carry greater loads greater distances for a longer time! **LONGER WHEELBASES** give better load distribution!

You'll ride "high, wide and handsome" in this new cab with its 12 inches **MORE FOOT ROOM**—8 inches **MORE SEATING SPACE**!

Here they are—the modern trucks—the first with **ADVANCE DESIGN**! Truck users agree they're miles beyond all others for outright value. Be sure to see the cab that "breathes"—

that "inhales" fresh air and "exhales" used air.* And try counting all the remarkable new features and innovations in these newest-of-all trucks.

*Fresh-air heating and venting system optional at extra cost.

A Symbol of
CO-OPERATION

Treasury Branch Service is friendly. The Provincial Government Treasury Branches and Treasury Branch Agents exist to cooperate with Alberta citizens in raising the level of prosperity of all. It's pleasant and it's good business to use your Treasury Branch. Learn today what your Treasury Branch can do for you—IT'S A GOOD IDEA!

Symbol of
SAFETY

LEARN TO RELAX

Nothing worthwhile is accomplished without effort, which means in many cases, tension of mind as well as of body. Young people returning to schools and colleges at this time of year are reminded of that, by health leaders, who ask students to bear in mind that they

need adequate sleep and relaxation if their minds are to be fit for classroom work, as well as equipped for the tasks which lie ahead.

Nature's antidotes to fatigue are rest, sleep and relaxation, the medicine remind Canadians. They are essential in relieving the strain of sustained effort.

WEDDINGS

WOOD-KONSCHUH

Marriage vows were exchanged Friday, September 12 at 5.30 p.m. in St. John's Lutheran Church, Calgary, between Florence Violet Konschuh, youngest daughter of Mr. and Mrs. A. Konschuh of Calgary, and Mr. Stanley James Wood, youngest son of Mrs. R. Wood of Calgary, and the late Mr. James Wood.

The bride, given in marriage by her father, was lovely in a floor-length gown of brocaded white satin with same length veil held in place by a beaded crown-shaped headress. She carried a bouquet of white gladioli with pink rosebud insets, and wore a two-strand necklace of pearls, gift of the groom.

Mrs. Charles Phillips of Olds, sister of the bride, and matron of honor, chose a floor-length dress of yellow sheer with matching chapel veil and gloves. Her bouquet was of mauve asters.

The bridesmaids were Miss Doreen Konschuh, Didsbury, niece of the bride and Miss Alma Moreau of Calgary. They wore floor-length gowns of blue sheer with matching chapel veils and gloves, and carried bouquets of pink carnations.

Miss Linda Mae Webster of Glenwood, niece of the groom, was the flower girl and wore a floor-length dress of white dotted nylon. She carried a nosegay of pink carnations and mauve asters and wore a matching head wreath.

The groom was attended by his brother, Mr. Lee Wood. The guests were ushered by Mr. Keith Wood, nephew of the groom, and Mr. Albert Konschuh, brother of the bride.

Mrs. Konschuh, mother of the bride, wore a pearl grey dress with black accessories, and a corsage of yellow roses. The groom's mother wore rose with matching corsage of roses.

The bridal couple received the eighty guests at a reception at the Labor Temple. The bride's table was centered with a three-tiered wedding cake. Rev. Leinweber, who performed the ceremony, proposed the toast to the bride, to which the groom responded.

After the wedding supper the guests were entertained by vocal duets by Misses Nita and Mona Wood, nieces of the groom, and trumpet selections by Mr. Keith Wood.

Mr. and Mrs. Wood motored to Great Falls for their honeymoon, and later travelled by train to Chicago, then motored back to Calgary, where they will reside. For travelling Mrs. Wood wore a green suit with brown accessories, and a corsage of red roses.

EXTEND CENTRE LINE OVER ALBERTA ROADS

More than 240 miles of Alberta's main highways now have a centre line, according to information received by officials of the Alberta Motor Association.

This year, this work has been done on the highway between Cochrane and Banff, on the Calgary to Macleod highway, from Edmonton to Wetaskiwin and from Red Deer to Calgary. More would have been done if it had been ready for such a line.

The centre line is four inches in width and is of a luminous type, through glass crystals being sprayed on top of the paint.

Motorists have reported that the centre line has been found most satisfactory and it is believed that it will reduce accidents.

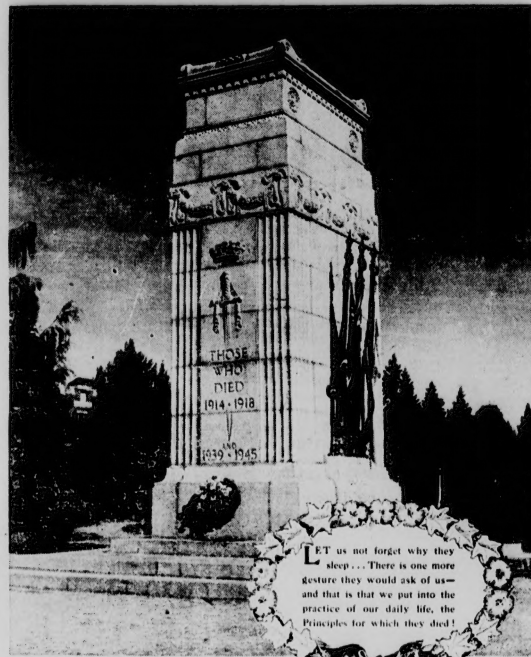

For some time, greater safety measures have been urged for Alberta highways, particularly owing to the increased traffic volume and tendency of some to drive at greater speeds owing to the extension of hard surfacing operations.

Provincial government officials say it is intended to centre line more highways next year.

HANDICAPPED CHILDREN

Approximately 60 per cent of children entering schools in Canada these days show one or more physical defects, according to carefully-compiled statistics.

Medical and public health authorities are urging on parents the examinations. "Be sure to give the child a chance for success in studies and in sports, by remedying any minor defects which would otherwise be a handicap," one medical authority advised parents. "Have the family doctor examine your child now, to detect, and correct, any minor troubles."

LET us not forget why they sleep . . . There is one more gesture they would ask of us—and that is that we put into the practice of our daily life, the Principles for which they died!

The Brewing Industry of Alberta

The Wheat Board has announced the elimination of all delivery quotas on wheat for the balance of the crop year. Producers may now deliver all the grain they wish to any elevator at any delivery point where space is available regardless of the delivery point specified in the permit book.

TWO LICENSE PLATES FOR CARS NEXT YEAR

Alberta will return to the pre-war system of two license plates on each motor vehicle next year, it was announced recently by R.C.

Arthur, the deputy provincial secretary. Color of the plates will be black lettering on an aluminum background — the same color scheme that will be used in Saskatchewan.

—: DISTRICT NEWS:—

WESTCOTT NEWS NOTES

Miss Paskweyak, Westcott school teacher, returned last Wednesday after being absent for four weeks because of illness.

Westcott pupils really celebrated Friday last. They had a big party in the afternoon with lots of goodies to eat and goblins, witches and ghosts all around. Later in the evening they visited many homes in the neighborhood, coming home with bulging pockets and regretting that their capacity was limited and would only hold so much. Everyone had a wonderful time.

Mr. and Mrs. John Stevenson and Grant of Sundre were visitors at the Herbert Goetjen home Sunday, taking little Gloria Stevenson home with them.

The fine weather this past week has made possible the completion of much of the threshing and combining.

We understand that plans are in the making for a skating rink around Westcott and young and old are quite enthused over the idea.

Mrs. Herbert Goetjen and daughter, Deloyce, were Calgary visitors Saturday last.

Mr. and Mrs. Spooner were visitors at the Otto Folkman home on Sunday last. Mr. J.F. Moir was also a guest of Mr. and Mrs. Folkman.

We are sorry to hear that Mr. Elmer Luft is under a doctor's care. Best wishes, Elmer, for a speedy recovery.

MOUNTAIN VIEW NOTES

Gordie Gebers is in the Didsbury hospital taking treatment for an infected arm.

Mrs. Trenholm and Jeanette Worral visited Mrs. Clarence Dodd in the Olds district Friday.

Charlie Kohnut is driving a new Oldsmobile.

The road south of the community hall to Morasch's and Billie Coates' has been gravelled.

Luther Whiteknight and Raymond Howell of Pennsylvania, and W. Shultz are reported to be in Rocky Mountain House and are leaving by pack horse for Sands Ranch to hunt big game.

Mrs. B. Jones is feeling fine again after her stay in hospital because of an injury to her foot when she ran a nail through it.

Mrs. Elmer Swanson and Mr. and Mrs. Harold Swanson of Carstairs were Sunday visitors with Mr. and Mrs. Joe Hunter.

THE PUBLIC HEALTH ACT Provincial Board of Health Regulations Respecting Nuisances and Nuisances O.C. 193-46 Amended

1028 (a) Any person in a city, town, or village or hamlet having refuse to dispose of shall keep any refuse which has not been burned, until collected, in a fly proof and water proof container.

1028 (b) No person shall deposit any waste matter into public ditches, lands or streets.

J. C. MOONEY,
District Health Inspector

NOTES FROM THE WEST

Mrs. G. Byrt and children spent the week end at Sundre visiting with her parents, Mr. and Mrs. Davis.

Mrs. O. Krebs was a Red Deer visitor Thursday last, spending the day with Mr. and Mrs. Reiner, former residents of the Westcott district.

Mr. and Mrs. C. Crosby spent Sunday with the latter's parents, Mr. and Mrs. C. Russell.

Mrs. S. Johnson and children of Carstairs are visiting with Mrs. K. Kenschuh.

The hockey meeting held Sunday evening at Byrt and Russell's store was quite well attended, and it was decided to make a rink just west of the bridge at the Little Red. The rink will be built on the north side of the road and clearing will be done on Monday to get ready for the bulldozer. Messrs. Les Evans, Pete Luft and Arnold Hogg were appointed to look after affairs.

We wish Mr. O. Thompson, who has been a patient in the Didsbury hospital for the past week, a speedy recovery. Also Mrs. Elmer Hayes who underwent an operation recently.

FALLEN TIMBER NOTES

Mrs. Wannamaker spent several days in Didsbury last week as the guest of her brother, Mr. Vern Johnson and family.

Harry Howton and Mr. Alex Moore were jointly honored at a birthday party at the home of Mr. and Mrs. J. Howton. Thirty guests were present and Mr. Moore and Mr. Howton were the recipients of many gifts.

John Teynor, George Teynor, Wayne Roberts and Billy Dick are big game hunting on the Panther Creek. They each hope to bring home a sheep.

We are sorry that Mrs. Hayes was obliged to undergo a major operation in the Didsbury hospital. We hope she will soon be fully recovered and able to return home.

Mrs. McMullen and Raymond were Didsbury visitors Saturday.

Mrs. Cooper held a Halloween party at the school for her pupils, their mothers, and younger children of the district. Games and a contest were enjoyed, after which a delicious lunch was served. Everyone present voted the gathering a great success.

We are glad to report that the part of the Burna Road in the improvement district has been graded up and is now in good condition, but the part in the municipality is still in need of much work. We miss Adam and his "cat." There is one spot by Smith's that is so bad vehicles are forced to detour through Smith's yard.

Alex Moore of Bergen reports 15 head of cattle strayed. They are branded with a half diamond double O on the left hip.

ATTENTION EVERYONE

Pictures of the Community Centre are on display in our window. They are not, however, up to date, so take your kids for a walk to the Centre and get up to date. You will get a kick out of what your children will say. If you don't happen to have any children, or they have all grown up, borrow a few to go over with you. Then if after looking over the Centre you can say, "It's not worth it," or "It's costing too much," you are not being honest with yourself.

Greet your canvasser with a smile. They are not being paid for their work, so give what you can, and a little more.

LOCAL NEWS

Sam Franklin, who with his wife is spending a month with his daughter at Cremona, was a Didsbury visitor Friday.

—The Didsbury Branch Canadian Legion will hold a Chicken supper in the Lions Hall on Tuesday, November 11, from 6:00 to 8:00 p.m. A dance will follow in the Opera Theatre.

Mr. and Mrs. Jay Tugle and son, accompanied by Mrs. Don Shannon and son and Donna Shannon, returned to their homes in Magrath during the week end.

Miss Audrey Graham of Innisfail spent Saturday in town visiting Miss Jean Lamont.

Miss Maxine Wood of Calgary spent the week end at her home in Didsbury.

E.G. Ranton was a Calgary business visitor Tuesday.

Mr. and Mrs. C.G. Neufeld and family and Mr. and Mrs. H.P. Schellenberg and family motored to Main Centre, Sask., to attend the wedding of Pete Schellenberg to Miss Hulda Andrews today.

Ed Watkin was a Calgary business visitor Monday.

The Senior W.A. of Knox United Church will meet at the home of Mrs. W.W. Gillrie this Friday afternoon, November 7th.

Mrs. B.A. Brechwald spent the week end with friends in Olds.

Mayor H. Lynch-Staunton and S. J. Gilson returned Saturday from the Municipal convention held at Lethbridge.

Mrs. E. Pearson left Thursday by plane for California, where she will visit relatives for the next six months.

Mr. and Mrs. H. Eastman and Mr. and Mrs. W. Christenson of Creston, B.C., visited Thursday afternoon and evening with Mr. and Mrs. Harvey Gillrie.

Mrs. L. Scown spent Monday and Tuesday with her mother, Mrs. Wigglesworth. She reports that the rural electrification line from Acme is now in operation and they have installed electricity in their home.

—6.50x16 6-ply tires driven only 150 miles at a \$7.00 discount. A French Door with two flaws that a handy man can fix. Regular \$22.50, selling at \$9.50—Cassidy's Lumber Yard.

Born in Calgary to Mr. and Mrs. Happy Wall on Friday, October 24th, a son.

Mrs. M.C. Ballenall of the Wabasso Cotton Co., Three Rivers, Que., was a business visitor in town Tuesday.

The Didsbury Senior Hockey Club will hold a re-organization meeting in the Lions Hall on Wednesday, November 5th, at 8 p.m. All interested are asked to turn up at this meeting and support the club wholeheartedly this year so that it may be more of a success than ever before. With a new rink to play on the boys are sure to give out with a better brand of hockey.

Remembrance Day services will be held in Knox United Church on Sunday evening, November 3rd, at 7:45 p.m. Legion members who wish to do so may form up in front of the Lions hall and march to the church, or if not able to do so, meet the parade at the church and enter with them.

DEFEATING DISEASE

In twenty years Canada has cut her death rate from Diphtheria from 900 per year to only 270 per year, and, the health statisticians report, the rate is still falling.

These and other gains on the health front are credited to the effective campaigns waged to have children immunized against disease. Protection is afforded by science against such diseases as Diphtheria, Whooping Cough and Scarlet Fever. Authorities define that it is the duty of all parents to have their children immunized early in life.

And Meet Your Friends**

AN OPEN LETTER TO A DRIVER WHO SPEEDS THROUGH OUR STREETS

I saw you barely miss a little boy on a tricycle this afternoon and heard you yell, "Get the h--- out of the way. Don't you know any better than to ride in the street?" He didn't answer because he hasn't learned to talk very well yet, so I'll answer for him.

No, the little boy doesn't know any better than to ride his tricycle the street. He has been warned not to, but little boys don't always heed warnings. Some adults don't either, especially traffic warnings, and those limiting the speed of automobiles.

I'm going to tell you something about that little boy. He has a mother who endured considerable inconvenience, anxiety and suffering to bring him into the world. He has a father who has worked hard and made many sacrifices to make him healthy and happy. The supreme purpose of their lives is to have their little boy grow up to be a useful man.

Now stop a minute and think. If you should kill a child, how would you feel facing his parents? What excuse could you give them for having robbed them of their dearest possession. More important, what excuse could you possibly offer Him whose Kingdom is made of little children.

Children, my hasty friend, were here long before you or your automobile were thought of. All the automobiles on earth are not worth the life of one little boy. We don't know what that little boy may be some day, and we could get along without you, but we can't spare a single little boy in Didsbury.
